€ from 1.798

The Victory GGF-1500 stump grinder complies with all safety regulations and is CE tested following the 2006/42/EC machine directive.

Duct and cable milling machine with high flexibility

The trench digger will dig 10cm wide trenches up to 60 cm deep to let you lay electric cables or garden watering systems in minutes without causing any major damage to your garden.

- 1** Digging chain with 27 hardened and separately exchangeable digging teeth for efficient results.
- 2** Garden trencher creates trenches of 10 cm width and up to 60 cm depth and also removes smaller roots with ease.
- 3** Digging depth is adjustable in three levels 20 / 40 / 60 cm.
- 4** Ergonomic, adjustable operator handle for easy operation and transport of the stump grinder.
- 5** GGF-1500 trench digger has a digging chain with 10 cm width and up to 60 cm depth.
- 6** Excavated material is moved to the side by a spiral conveyor.
- 7** Compact passage width of only 80 cm for easy operation almost anywhere.
